

AGM 21st October 2019

Chair's Report

2019 has seen quite a few changes at 623.

A new Chair (Roberta Sutherland) and Secretary (Duncan Marson) have been appointed. John Reece has to extend his role of Treasurer because no volunteers would come forward to take over the role.

It was only on the day of the AGM that someone offered to take on the role of Treasurer for one year, which is precious help for the club because it allows it to keep operating. Had nobody come forward for the role, the club would have had to shut down.

Staff at the moment are Sally, Selina, Leila and Jasmine. They are all doing an amazing job and the children love them.

A special thank you should be addressed to Sally, Club Manager, and Selina, Deputy Manager, for creating a fun and caring environment for the children.

The lease contract has come to an end and extended on a rolling basis by Derbyshire City Council as they haven't been able to look into the terms of renewal yet.

We are waiting for updates from Curbar School.

A final thank you to the old and new members of the committee, Karen, Charlotte, John, Roberta and Duncan.

Roberta Sutherland
Ongoing Chair
